Development Company Ltd.
Invitation for Expressions of Interest to
Supply a Single Wind Turbine.**

Expressions of interest are invited from suitable companies for the supply of a commercial-scale wind turbine generator, tower sections and blades.

Following a recent planning approval, we are looking to procure the following:

- 1x wind turbine generator, tower and blades with a maximum height to blade tip of 105M and a maximum rated capacity of 1.5MW for use on a consented site in Northamptonshire.

PfR is seeking a competitive dialogue with potential suppliers with the object of identifying the optimum supply option for this site. Companies wishing to express an interest must have a proven track record of supplying appropriate products that conform to all relevant UK regulatory requirements.

A full tendering exercise is expected to commence in 17 February 2012. Each bidder will bear their entire costs of participating in the tendering process. For further information, please contact:
